*Hand Glazed "Pistachio" Akaroa Square Tiles*

The shape of the Akaroa Square tiles is based on the Classic French Melange squares. We have called them "Akaroa Squares" in recognition of the early French settlers who settled in Southern New Zealand at Banks Peninsular. Middle Earth Akaroa Squares are hand-made with the tiles wire cut from slabs of clay. After their first firing the tiles are hand glazed using our classic glazing techniques.

Each tile is unique and combined offer designers' textures and colours which are truly different from mass produced tiles.
